Henceforward, your bills will come via email around the first week of the month after the previous billing month has closed. Please add the email address rockyviewgas@customdatacentre.com to your list of safe senders as this is the address from which the e-bills will come.

If ever in future you do not receive a gas bill via email, please check your junk or spam mail folder as occasionally our emails end up in the junk mail if an email provider changes their security settings.

Thank you for helping to save paper and postage, we hope e-bills will be more convenient for you and your records, if not, you can withdraw your consent at any time and request paper copies again.

We take your privacy seriously. We do not sell or share your data.
