

2022 CALL FOR NOMINATIONS

Rockyview Gas Co-op's 2022 Annual General Meeting is coming up (tentatively set for April 12, watch for updates on our website and billing communications).

Are you interested in sitting on the Board? All members are invited to put forth their name or submit a nomination for director.

Check out our website for more information on the nomination process.

Higher Gas Bills – Update

You have probably noticed that your gas bill is higher than usual. We understand that higher natural gas bills can be frustrating and we are with you in this. Gas consumption increases when it gets colder, and with the unseasonably cold temperatures in December, we have seen record high levels of gas use (December 2021 set a record for gas consumption for the co-op). Energy prices have been higher in recent months than in previous years. Our natural gas supplier, Gas Alberta, continues to provide competitive gas prices. Visit our website for more information about your bill, www.RVGC.ca.

Check out some recommended [ENERGY SAVING TIPS](#) for easy and low-cost ways to potentially reduce a home's energy consumption.

Bill Due Dates

Please note that effective January 31, due dates for RVGC natural gas bills will be the 25th of each month (previously the 28th).

As always, the Auto-Debit payments will continue to be withdrawn on the 15th of each month.

Safety Reminder

** Your cooperation in allowing unobstructed access to the meter, in order for us to inspect and maintain our infrastructure, is essential for our field technicians' safety, as well as that of you and your neighbours. We ask your assistance in informing us of any locked gates and gate codes, please contact the office. Our staff will make a best-effort attempt to contact landowners prior to entering the property. **
